

AppX Policy for Purchase of Office Chair by Employees

1. Purpose

This policy outlines the guidelines for employees to purchase an office chair for work-related purposes, ensuring comfort, ergonomics, and productivity.

2. Eligibility

- 2.1. All full-time employees who require an office chair for their designated workspace at office are eligible for this policy.

3. Approval Process

- 3.1 Employees must submit a request to the HR department.
- 3.2 The request should include justification for the purchase and any specific ergonomic requirements.
- 3.3 The approval will be granted based on need and budget.

4. Budget & Reimbursement

- 4.1 The company will provide a predefined budget of 50% of Chair Value or Rs. 3000 whichever is lower for the purchase of an office chair.
- 4.2 If the cost exceeds the budget, the employee must cover the additional expense unless an exception is approved.
- 4.3 The Employee must purchase the Chair in the name of Organization (along with GST details) and must submit the proof of purchase (invoice/receipt) for reimbursement.
- 4.4 Reimbursement will be processed on or before 5th of subsequent month for the all submitted invoices.

5. Chair Specifications

- 5.1. Chairs must meet ergonomic standards, including adjustable height, lumbar support, and cushioned seating.
- 5.2. Chairs must be purchased from the Amazon / Flipkart/Chrome only.

6. Ownership & Maintenance

- 6.1 As the chair is purchased using company funds, it remains company property.
- 6.2 Employees must maintain the chair in good condition.
- 6.3 Upon resignation or termination, the employee may be required to return the chair, subject to company discretion.

7. Exceptions & Special Cases

- 7.1 Any exceptions to this policy require approval from management.
- 7.2 Special accommodations may be considered for employees with medical needs, subject to appropriate documentation.
