

Food Reimbursement Policy

Ref. number: HR/Admin/01/26-27 (Revised)

Date: 13 April 2026

1. Policy Overview

This policy defines the guidelines for the reimbursement of food expenses incurred by employees while performing official duties.

2. Reimbursement Limits & Timing (Effective FY 2026-27)

- Employees are eligible for reimbursement of up to Rs. **175 per meal** or the actual amount incurred, whichever is lower.
- **Official Timings:** Reimbursement is provided only if the food is consumed during the official food timings mentioned as per the Food Policy.
- **Hours Restriction:** Meals consumed **before or after** the official hours are not entitled to reimbursement.
- **Processing Schedule:** Approved reimbursements will be processed between the **6th to 10th of the subsequent month**. Please note that these payments will be processed independently and **not along with the regular payroll**.

3. Eligibility Criteria

- Reimbursement applies strictly to meals consumed for **official work purposes**.
- This policy applies only to employees who have opted for lunch and/or dinner provisions through the company.
- If food is unavailable in the office, employees may claim reimbursement provided they **inform the Admin team in advance** or at the time of the requirement.

4. Documentation Requirements

- A **valid tax invoice or bill** must be uploaded for every claim.
- **Payment screenshots** (e.g., UPI or card transactions) will **not** be accepted as proof of expense.
- Reimbursements will be accepted only for online food orders supported by a valid invoice or order history.

5. Claim Submission Process

- All claims must be submitted through the **GreytHR portal**.
- Claims submitted without proper documentation or outside the system will not be processed.

6. Compliance & Exceptions

- Any exceptions to this policy require **prior approval** from the Reporting Manager or HR.
- The company reserves the right to reject claims that do not comply with these guidelines.
